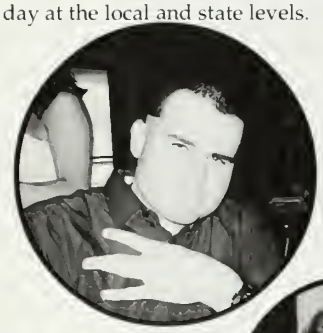
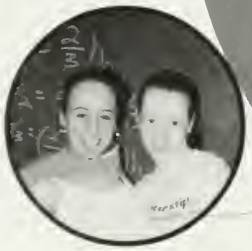
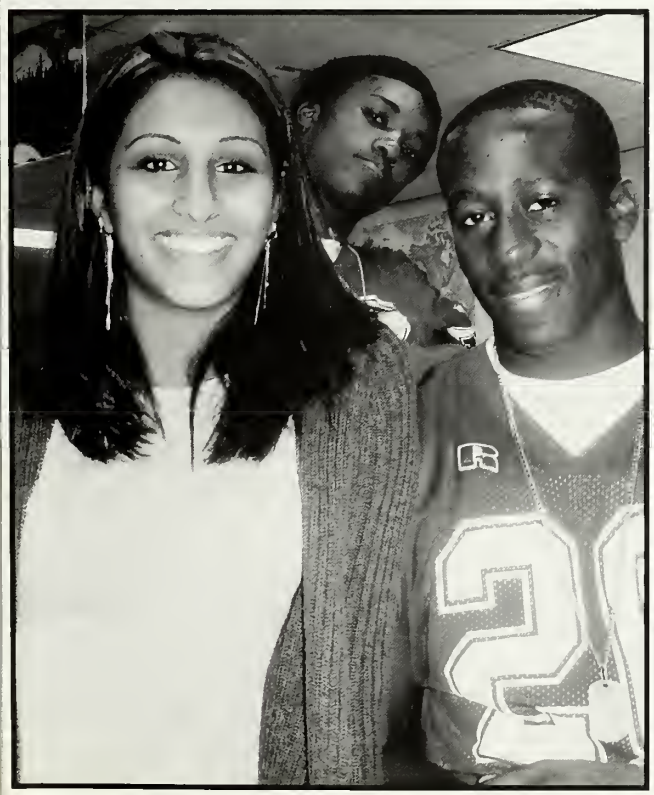
EVERETT MASS.

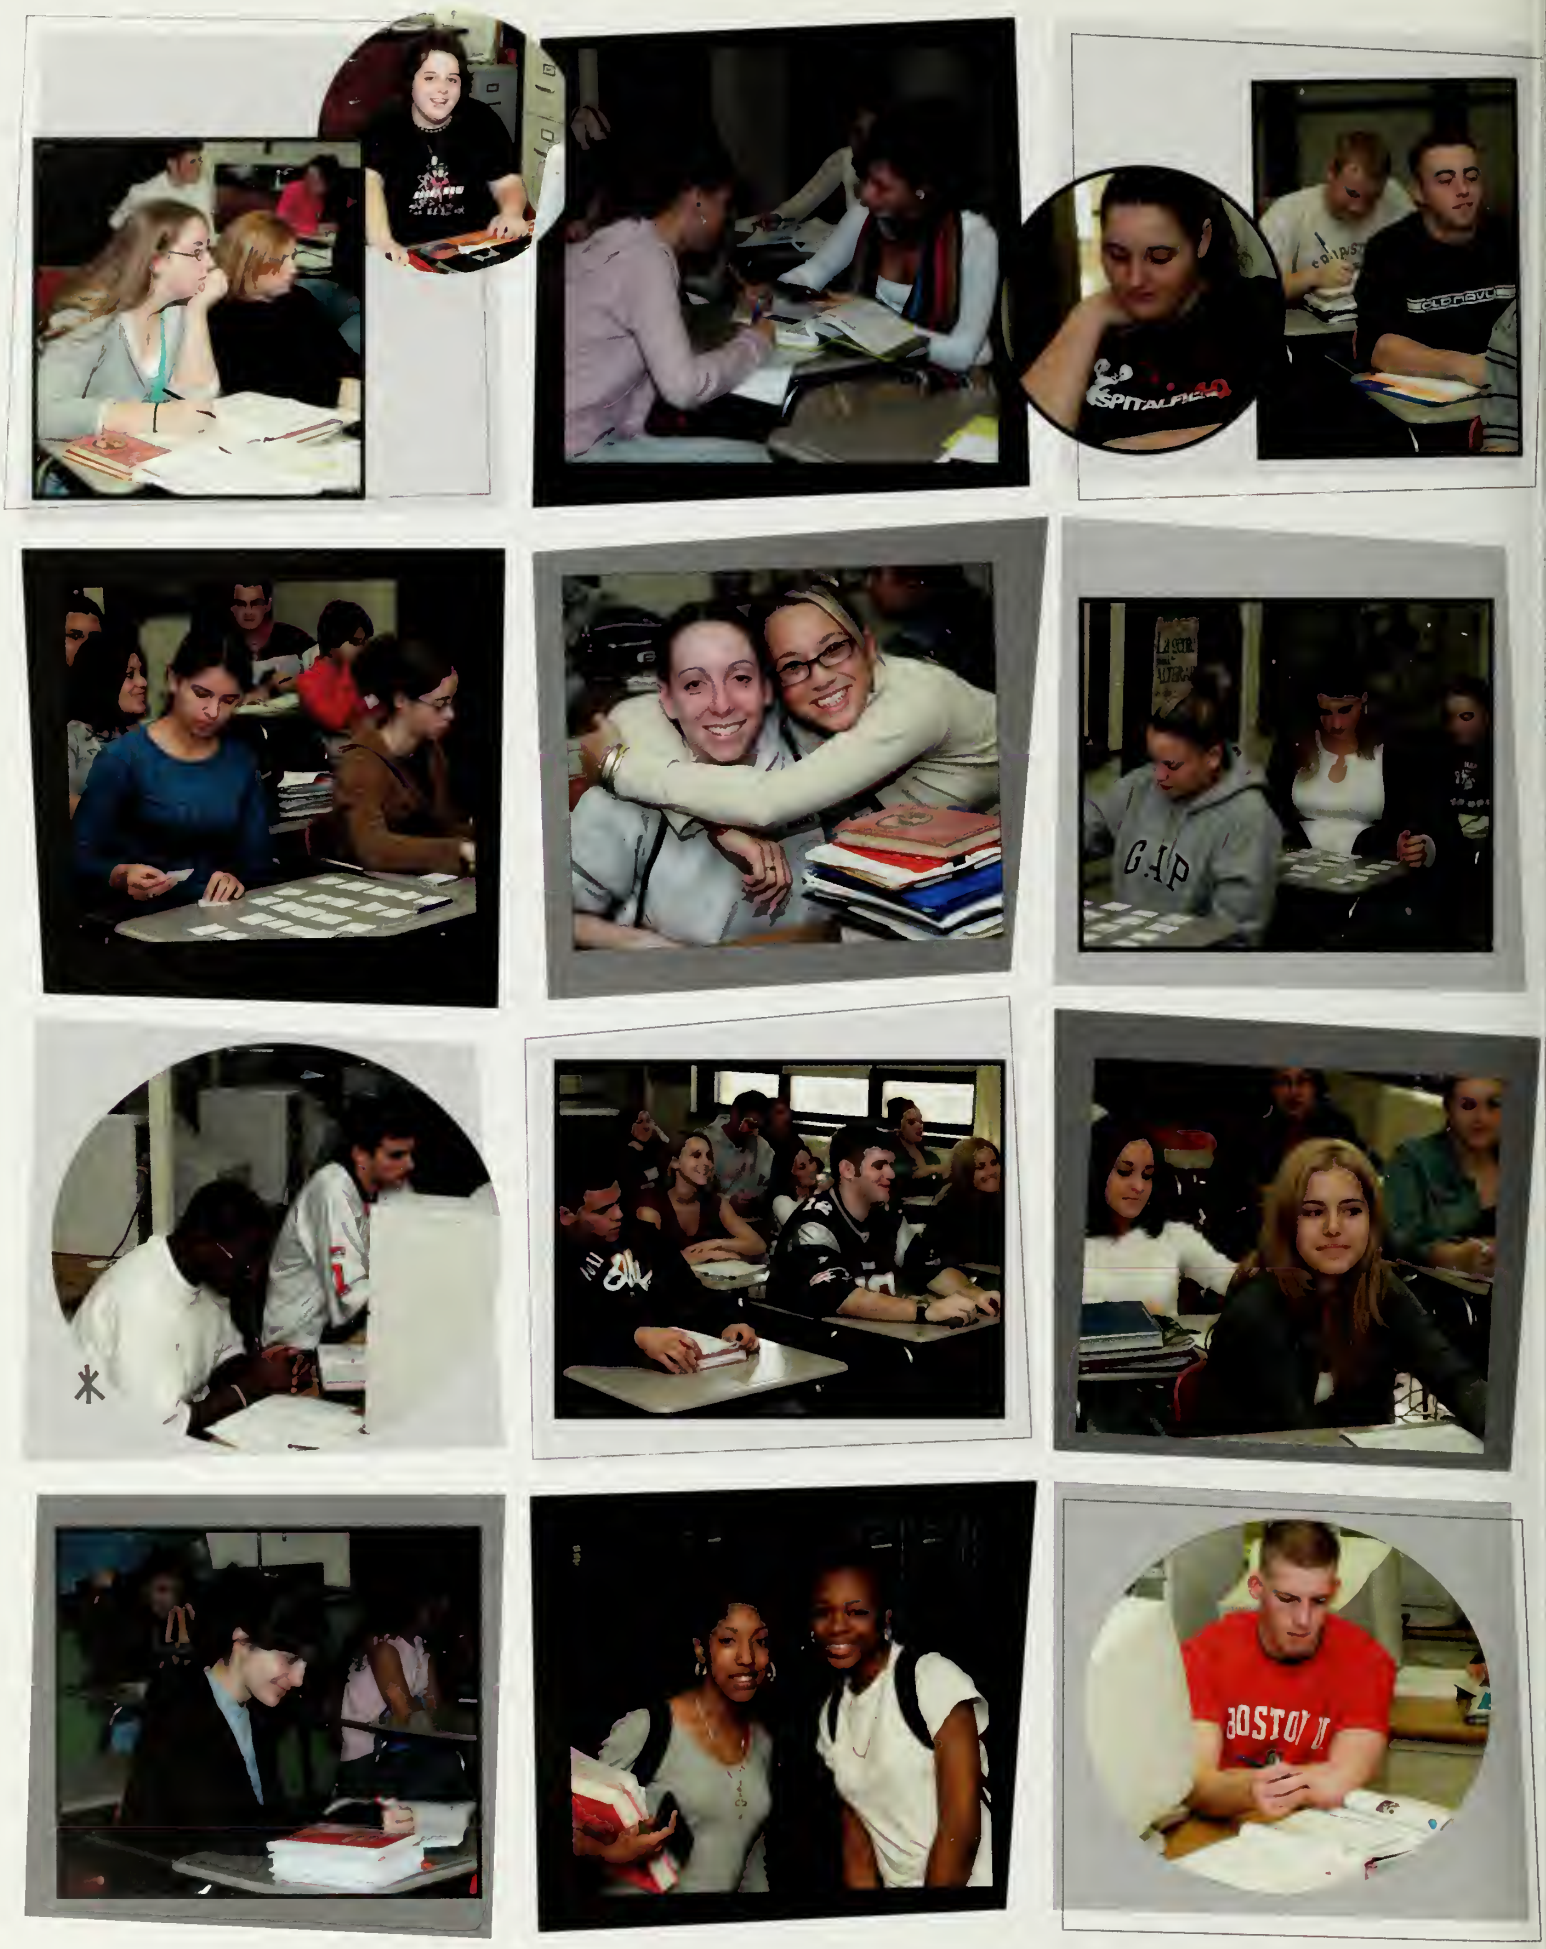
Everett High School is a comprehensive four year public high school that includes a vocational division. The total enrollment of 1725 students represents 35 countries and 23 languages. Last year's statistics on continuing education showed that 67% of our students went on to higher education. When you consider only students enrolled in the academic course, that percentage reaches 85%. The colleges students have been accepted to range from Amherst College and BU to Hawaii Pacific University and USC. The purpose of all program offerings at Everett High School is to challenge the student by raising expectations and providing students with the most rigorous program they can successfully complete. Classes in each academic program are open to all students in the high school. Everett High School's comprehensive curriculum provides students the opportunity to select an academically challenging and personally fulfilling program.

Participation in extra-curricular activities allows each student to achieve academic and personal growth. Examples of extra-curricular activities include sports, academic and performing arts clubs. Students are encouraged to develop civic and social growth through participation in activities such as peer leadership, Big Brother/ Big Sister, tutoring, student council, student government, selective service and voter registration, blood drives and governmetn day at the local and state levels.

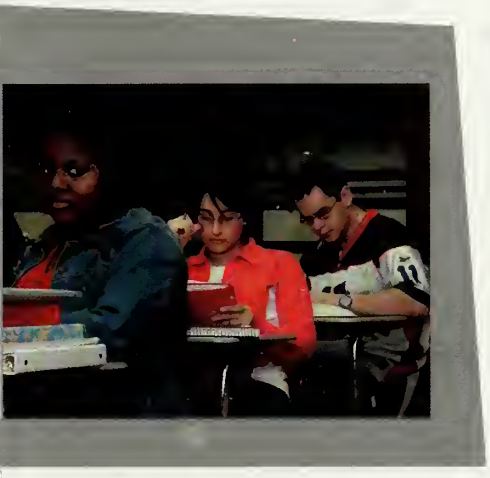


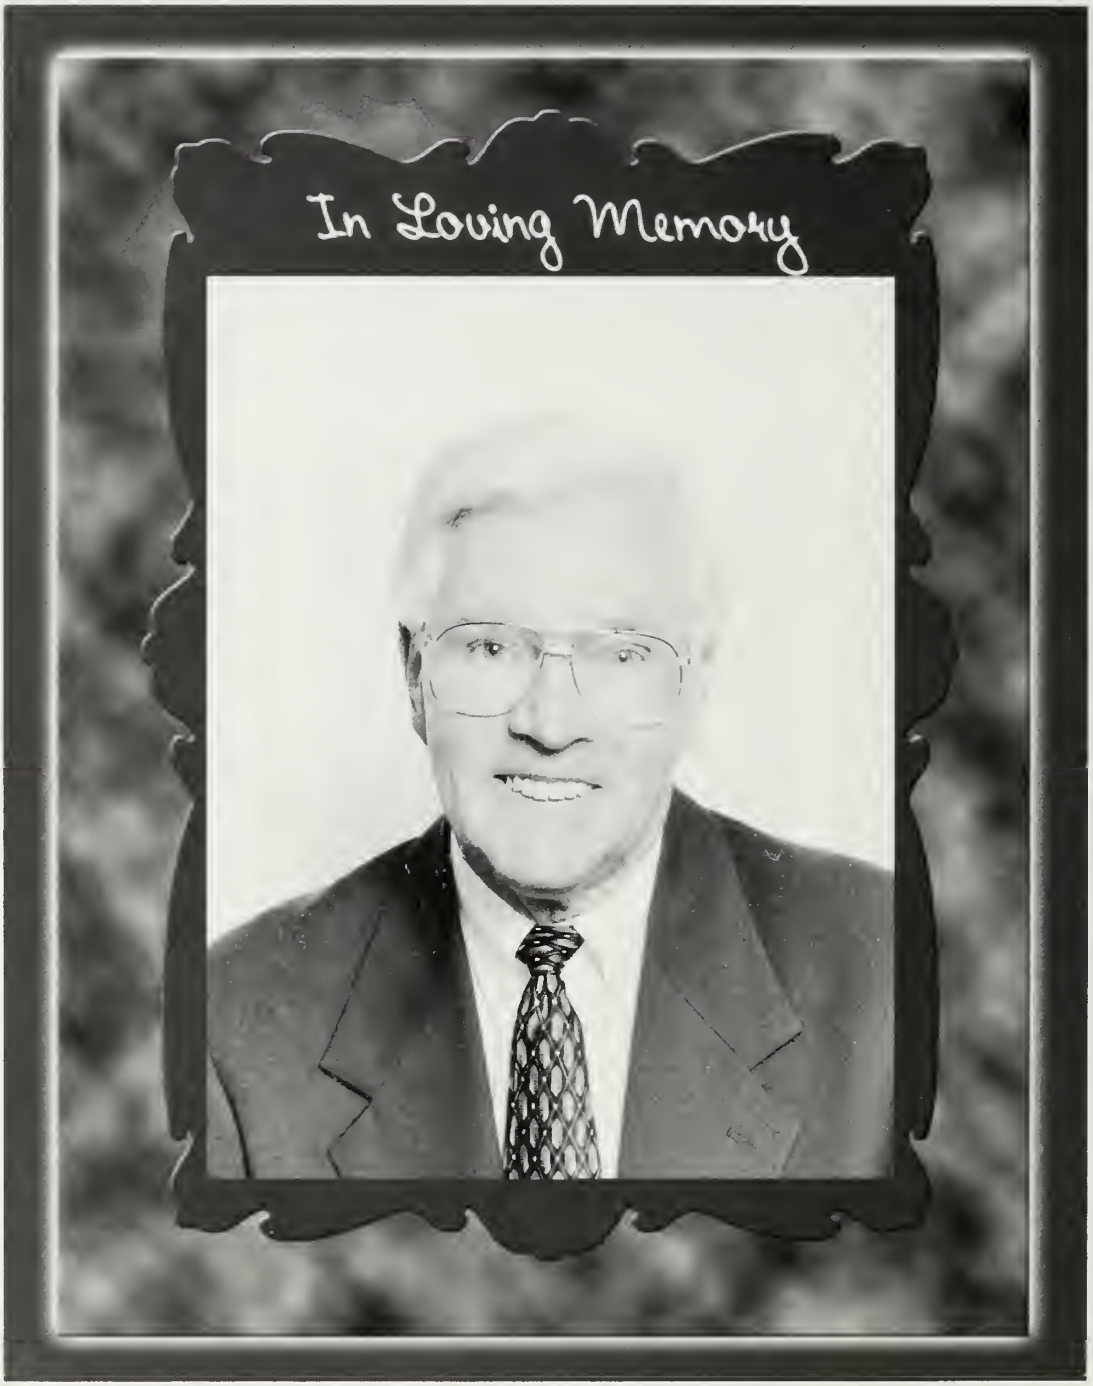






G.I.P
BOSTON





Mr. Walter Shaw was more than a guidance counselor to the students of Everett High School. His enthusiastic qualities were clearly evident in his quest to help as many students as he possibly could. To say Mr. Shaw was loved, would be an understatement. He came into work every day with the same warm smile that was contagious amongst his colleagues and the students of Everett High School.

No matter the question, comment, or problem, Mr. Shaw always had an answer or solution. Mr. Shaw was the man to see on those rainy days. He always knew the right things to say at the right times. He was the type of person who would go out of his way, any day, to make sure that everyone was content.

Whether Mr. Shaw was signing passes, getting students into college, or kicking us out of guidance, the memories of the good days greatly outweigh the bad. The experiences he had with the Everett High School community have left long-lasting impressions on all of us. We look back on the days when Mr. Shaw was walking around guidance, smiling, knowing that the day we lost him, it would be a loss for everyone, but his spirit will forever live on...

Class History

"We did not change as we grew older, we just became more clearly ourselves." –Lynn Hall

August 29, 2001: a date that will live in infamy, the date of our first day of high school. To some this date marks the beginning of along and grueling period of imprisonment; but for others, these past four years have been paradise. Whether it has been a burden or ablast, on this day, we the class of 2005 packed our unnecessarily large backpacks and stepped through those red doors and embarked on what many say "the best four years of our lives."

As the new batch of naive freshmen, we wasted no time embracing all of the typical stereotypes: searching hopelessly for our classes as well as the fourth floor pool, memorizing our new and confusing schedules, and sitting through the dreaded "long period." Unfortunately, in the midst of our hectic first year, disaster struck and marred the innocence of our freshmen year. When it happened, we were too young to fully understand the disaster that befell NewYork City in September 2001 as we congregated around the few available TVs within the school. The only real worry that day among the freshmen was whether we'd get dismissed or not; but, we all grew up more than we realized and joined the rest of the country in mourning the loss of several thousand citizens. Despite it all, we moved on and did the best we could amidst the threats that hung over our country. We took our first language classes, primarily showing off our new bilingual skills every chance we got, even if they were less than perfect. The Crimson Tide also acquired a Super Bowl victory that they have been defending ever since.

The summer came and went and before we knew it, we were heading back through those loathsome red doors to start our second year at EHS. We suffered through our classes, but had much to look forward to. What lay a head of us that spring was the Everett High School Dramatic Society's performance of the crowd favorite, "Grease," and the social event of the year, the Sophomore Semi-Formal. The only blemish on our sophomore year was the infamous MCAS tests. We spent the majority of the year preparing ourselves for the test that would determine our fate –our diplomas were on the line. While the rest of the school slept in, we reluctantly walked through those all too familiar red doors at 8 a.m. and reported to our respective classrooms where we sat for three painstaking hours to take the most important test of our high school careers. May came and went, and we held our breath until the following September when the results came in.

With the MCAS behind us, we were free to start our junior year. As upper classmen, it was our turn to start thinking about colleges, plan our prom, and of course, dish out some locker-stuffing threats of our own. This was the year we truly realized that it was time to strive for our own success – we'd no longer be guided every step of the way. We took our first round of SATs; forget about MCAS, these were the tests that determined what would happen to us after high school. We strived for success, even as our classes became more and more difficult. Before we knew what was happening, it was May and time to say goodbye to the seniors. Prom 2004 was filled with lots of laughs as the junior and senior classes enjoyed the glitz and glamour of the Hilton Hotel.

Senior year, and lo and behold, we were still standing. We participated in one of the more interesting traditions at EHS – Senior Dress Up Day. It was a time for us to express our creativity, and we definitely didn't fall short. All along we'd felt as if senior year would be the easiest – but for most of us it was the most challenging time of our lives, as many of us struggled through college level courses that would prepare us for the four years ahead. We juggled athletics, academics, and extracurricular activities; but, in the end, we came out on top. We were also witness to one of the most prominent changes ever – new locker colors. The new worry was whether or not we'd get stuck with maroon, orange, blue, red, or green lockers, which varied by floor. Regardless of our locker color, most of us were satisfied with its location'– after all, we were seniors, it wasn't like we'd be bringing our books to class.

We've made a long journey since we first passed through those trademark red doors, from uncertain freshmen to confident seniors; and, a lifetime of knowledge has been accumulated inside the four walls that make up Everett High. Although there are a few moments we will choose to forget, there are many more we will bring with us for the rest of our lives. We can't forget to thank the teachers, counselors, and advisors that have instilled in us all the knowledge they possess and offered us guidance during the most crucial years of our lives. Through their patience and understanding, we have grown into the people we are today.

Now it is time for us to walk *out* of those notorious red doors. Although we complained every single day that we were stuck in these stuffy classrooms and hard metal chairs, we will never be able to deny the significant growth that occurred over the last four years. These are the memories, the moments, and the friends that we will carry with us into the uncertainty that is our future.

As Harvey Fierstein once said, "Never be bullied into silence…accept no one's definition of your life; define yourself."

Class of 2005, are you ready to define yourself?

Prom 2004

Prom was the night everybody looked forward to. It was the night we'll never forget. The girls went crazy looking for the hottest dresses, accessories, and shoes. The guys wanted to look dope in their tuxes. We rolled up at the Hilton in our Hummers, Benz, and Caddys. It looked like we were going on the red carpet. We pushed our plates aside and went straight to the dance floor to shake our you know what. We danced the night away. It was hot but we had fun. We partied from 7 to 11 then we got our entourage together and hit up the afterparties. It was truly a night we will always remember.

Dear Graduates

As a parent of one of the graduates of the Class of 2005, I can still recall the first day I dropped my son off to begin his journey of formal education. I felt happy and sad. Happy to see my first born start on a new chapter in life, but sad as I thought that one day he will be moving on. That day came too fast as the years have flown by. Graduates, you have been provided with the tools to be a success in life. What you do with them is entirely up to you.

The world you will be entering into is full of challenges and risks. Great achievements can often involve great risks. Take this into account when you feel you can't go on. Respect yourself; respect others and take responsibility for all your actions. Live a good and honorable life so when you grow old you can think back and enjoy it a second time.

Good luck in the future and never let anything or anyone get in the way of your dreams.

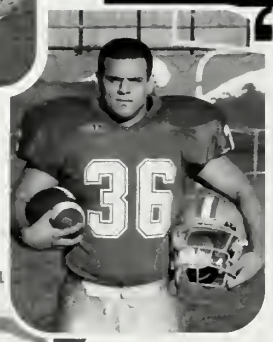
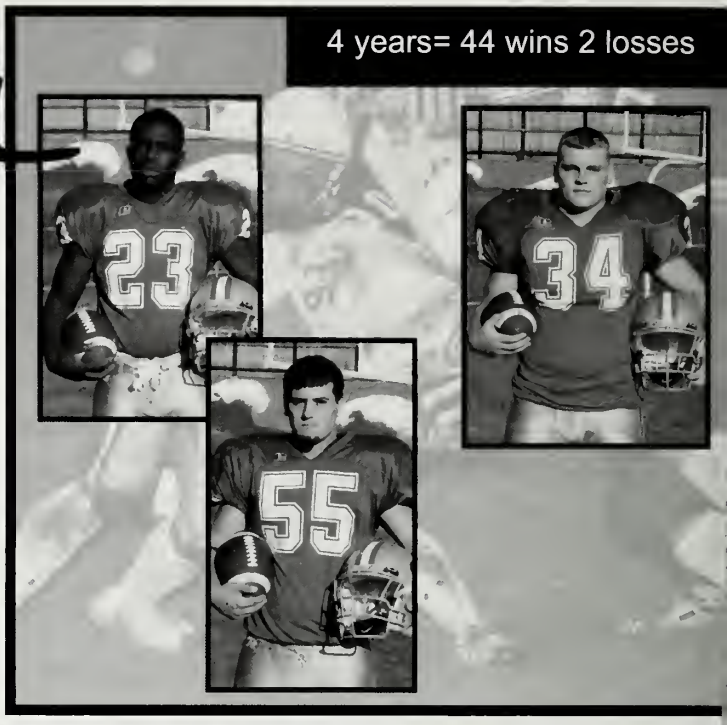
Football 2004

GBL Champs

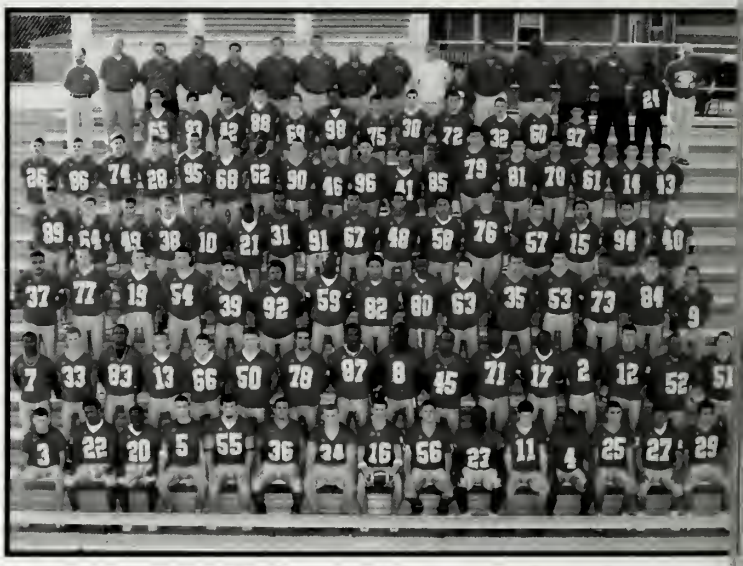
4 years= 44 wins 2 losses



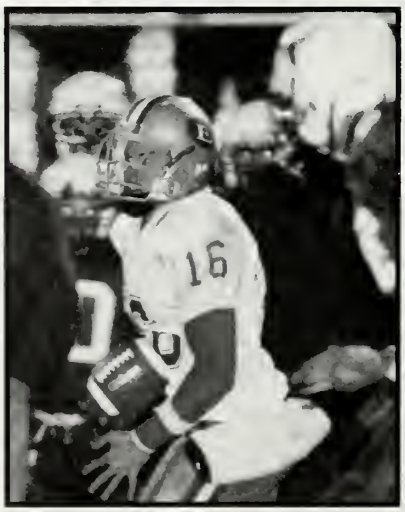


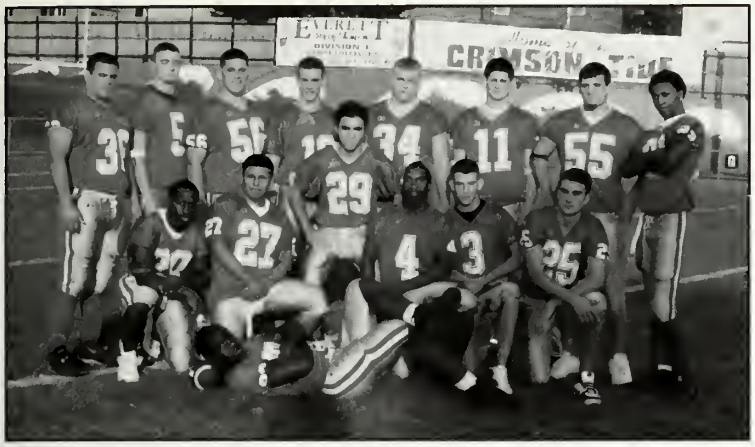
"In 2004 Everett High Football embarked upon a dream of becoming the first schoolboy football team to win four consecutive Superbowl titles"

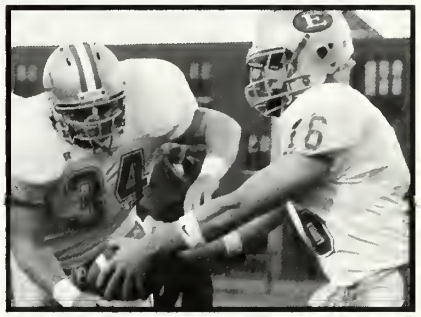
The season was filled with exciting plays, big plays and overwhelming fan support. Th e Tide was led by co-captains Matt Nuzzo, George Paone, Justin Sullivan, Theluxon Pierre, David Ragucci and Ken Glover. Many other seniors contributed greatly to the success of this year's team including Steve Lynch, Steve Tholen, James Felix, Dave Altenor, Roland Clodimer and Drew Winer.

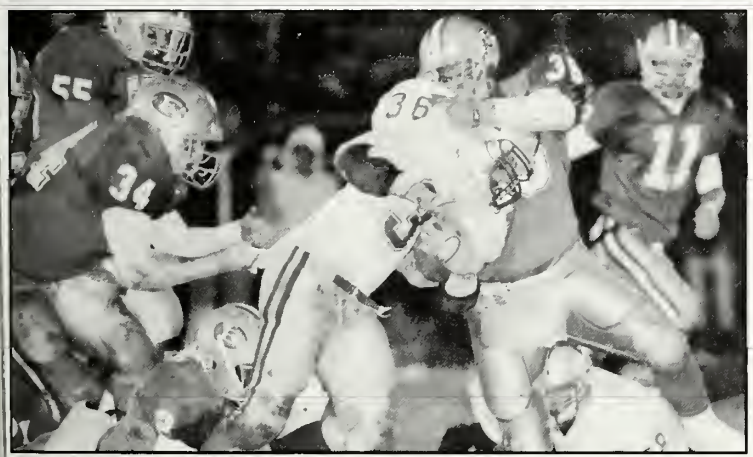


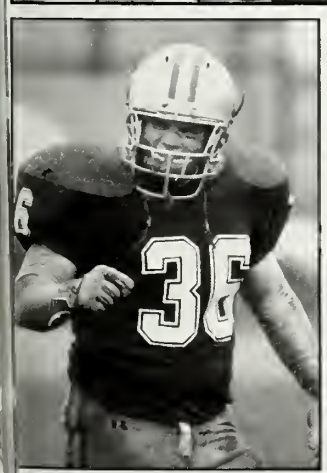
The Crimson came within minutes of accomplishing its goal before facing a disappointing 22-21 loss to the Brockton Boxers. Everett is right along side Brockton at the top of the list of prestigious football programs in Massachusetts. Everett placed 5 players on the all-scholastic state football team. They were as follows Matt Nuzzo(Div.1 Player of the Year), Theluxon Pierre, George Paone, Justin Sullivan and Dave Ragucci. This year's seniors were a mind boggling 44-2 over the past four years



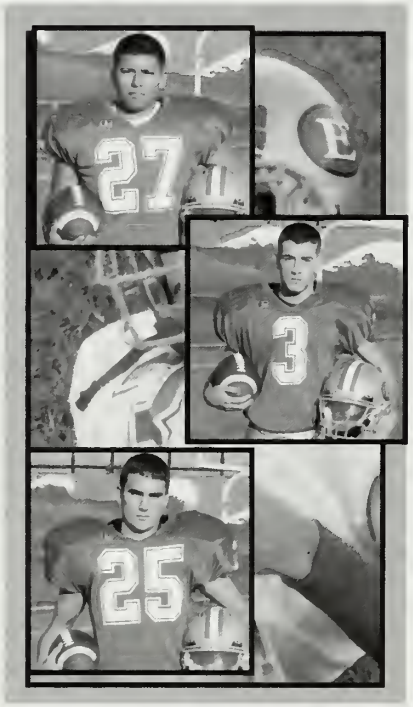








All in all, this year's senior class was a team whose memory will be everlasting in the hearts of the many fans who follow Everett football. These seniors have played their whole lives together and soon will chose many different paths. Although the last game they played together was a loss, in losing they realized how much they valued winning and yet the memories they have had throughout the years greatly outweigh wins and losses producing friendships that will last a lifetime.



FOOTBALL CHEERLEADING

GO TEAM

-Cheerleading in Fall of 2004-
What can I say, it was a fun year. Our football team had a great season and our cheering team did our job quite well. The memories of the competition team and football team are some of the funniest memories we come to share. Whether it was the Thanksgiving game, going out to eat or just laughing during the games, 2004 was filled with timeless memories that none of us will forget. Captains Taylor Leo and Nicole Allen, as well as seniors Michelle Devaux and Kaitlyn Zaino had the time of their lives and we would like to thank Mrs. Dib and Jamie Young for been such good coaches and never giving up on our potential to be great. To the girls, thanks for the memories, we will never forget you.

SOCCER

It was another successful season for the Crimson Tide Boys' Soccer team as they clinched their third consecutive tournament berth. The Tide finished with a 12-4-2 record and second place in the Greater Boston League. The boys also made history this year as they won the first tournament game in the school's history, a 2-1 double overtime shootout victory over playoff rival Newton North.

Senior captains Anthony Owour, an Eastern Massachusetts All-Star, and Vinicius Dall'Orto, G.B.L. 1st Team All-Star, led the team on their quest. Evens Beauchamps defended the right side. Lucas Martins, G.B.L. 2nd Team All-Star, protected the goal like a brick wall for the entire season, including a standout performance against Newton North. The Tide was also aided by underclassmen standouts Marlon Quijada, All-Massachusetts, Luis Zavala, G.B.L. 1st Team All-Star and Captain Eddie Senibaldi, G.B.L. 2nd Team All-Star. Coach Terranova and Coach Sloper expect the program to continue to grow and achieve more success in the future.

The 2004 Girls soccer season was a rebuilding year. Hard work and building confidence was the highlight to this fall. Good luck to the following seniors: Capt. Michela D'Onofrio, Capt. Helen Terra, Jen Carroll, Michele Lavoie, Maria Guanci, Shawna Smith, Lieu Tran, Rosa Acuna, Leticia Zavala and Lucyana DaSilva. We will miss these seniors, but look forward to a successful season next year.

Girl's Soccer

Seniors (left to right): Capt. Monica Lambresa, Leanne Meninger, Kelci Fiore and Alex Charest.

It was a great year with a fun group of young and talented girls. Despite several hard fought losses the team made it through another season. In spite of the departure of four incredible seniors, we hope to be a GBL contender next year.

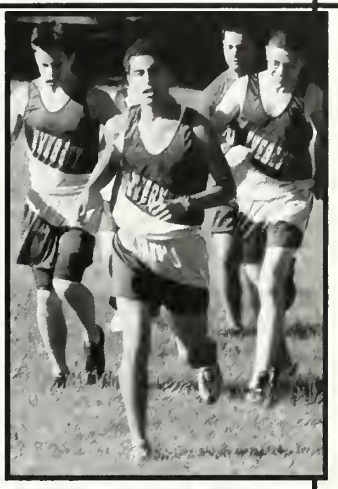
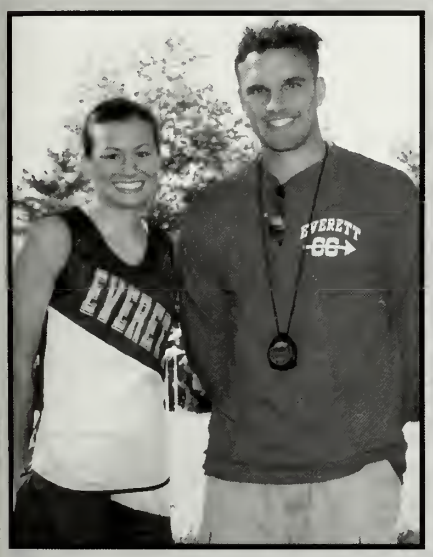
Field Hockey

The EHS golf team compiled a 3-5 record this year. A one-half point loss and a two point loss prevented the team from making it to the MIAA State Golf Tournament. The season was highlighted by co-captain Corey Sheehan and Daniel Hegner being selected to the GBL All-Star Team. This was Corey's third year in a row being selected to the All-Star Team. Composing the team's record were convincing wins over Malden, Revere and Somerville. A 36.5 - 35.5 loss and a 37-35 loss to Cambridge and Arlington were exciting matches to the end. The seniors provided the team with necessary leadership that aided the underclassmen to become better golfers, sportsmen, and team members. Thanks to the leaving seniors for their efforts.

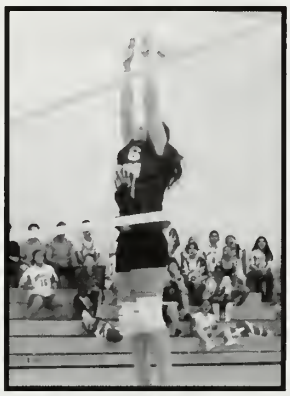
The Everett High School Cross Country team, coached by Paul Giardina, ran competitively throughout the season. The only senior and female on the team, captain Jenny Gardynski, led teammates Eddie Knight, Eric Urguiza, Anthony Browne, Michael Cole, Huy Le (all juniors), as well as brothers Constant and Quentin Wareham. Every athlete on the team set personal best times during the season. Jenny Gardynski broke the school record in the 5k and placed 3rd in the GBL meet. Gardynski, Knight, Urquiza, and Browne, all competed in state-wide invitationals and also in the Class A Eastern Mass Meet at Franklin Park.





Volleyball

VOLLEYBALL VOLLEYBALL VOLLEYBALL VOLLEYBALL VOLLEYBALL



The 2004 members of the girls volleyball team worked extremely hard this year, defeating numerous GBL rivals like Revere, Arlington, and Somerville. This past fall, seniors Nathalee Kong and Franci DaLuz, along with head coach Michael Fineran and assistant caoch Margaret Chan, provided the varsity with solid leadership on and off the court. Jacqueline Terra, Camila DeAguiar and Daisy Tedesco provided a strong offense front. Samira Fidelis and Lorena Valadares were among the newcomers this year who contributed to our fine season. With a dedicated and experienced group returning next fall, the girl's volleyball team will be ready to take on next year's GBL elite.

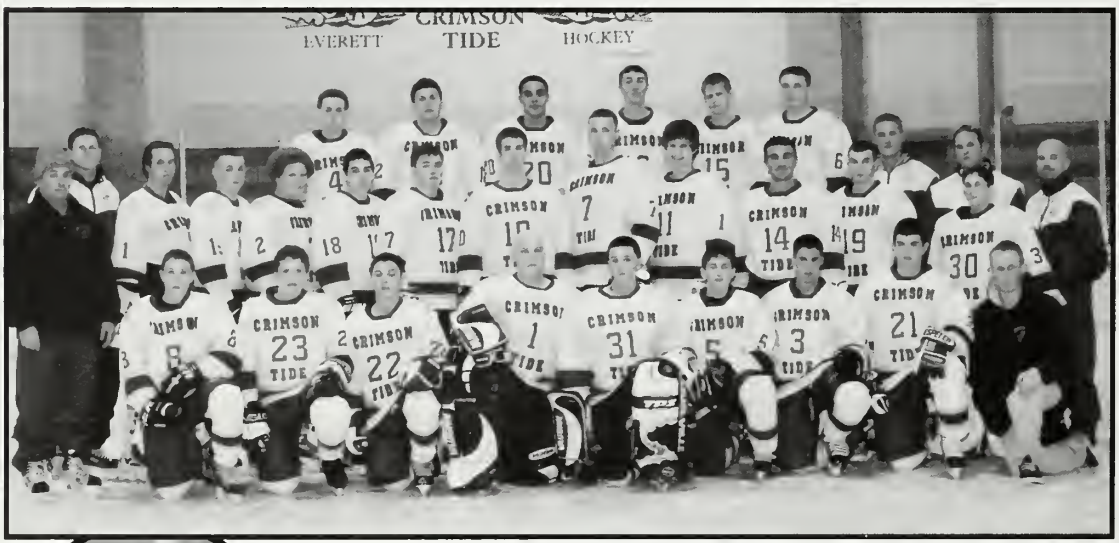
CHEERLEADING

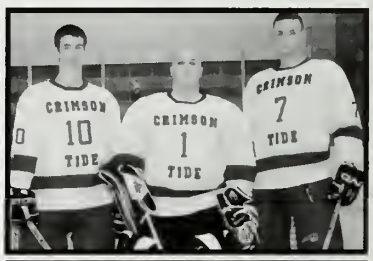
would like to wish our captains Jessica Nadeau, Patricia DiBiase, and Angelina Goss, as well as senior Nicole Walton, the best of luck in the future.

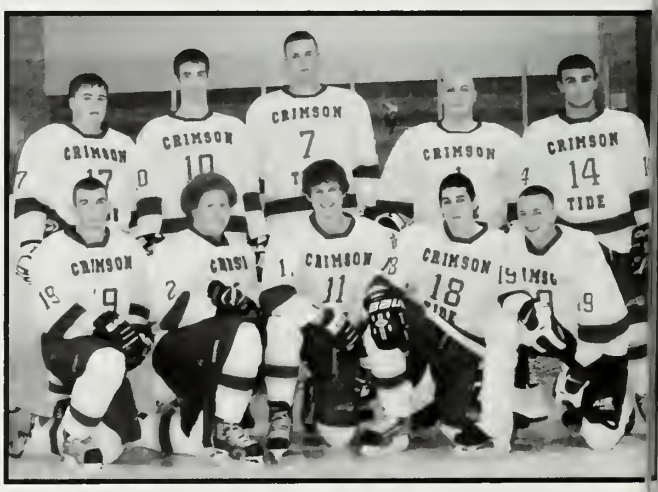
The 2004 - 2005 season was a new beginning for most. We have created a sisterhood and many memories that will stay with us forever. We will never forget those long practices, crazy bus rides, and decorating on those cold nights. Special thanks to our coaches Karin and Michele for their hard work and dedication. We

HOCKEY

2004-2005







The Boys' Hockey Team led by captains Dan Hegner, Dan LeRay and James Schurko played one of its toughest schedules in recent years. Although the team did not qualify for the state tournament, many games were decided in the third period. The season was highlighted by the team's participation in the Maine Invitational Tournament in Portland, ME and the James F. Mulloy Tournament in Medford.

Tough losses to GBL powers Arlington 3-2 and 4-3, and Medford 6-4 along with an outstanding tie against GBL Champion and Super 8 participant Waltham proved that the Crimson could play against any team.

Congratulations to the league all-stars; forward Dan Hegner, goaltender James Schurko and sophomore defensemen Patrick Considine for outstanding play during the season.

Special thanks to the senior captains along with senior defensemen Adam Clarke, Mark Hartung, Brian Hennessey, and forward Ed Sobolewski for their hard work and committment throughout the season.

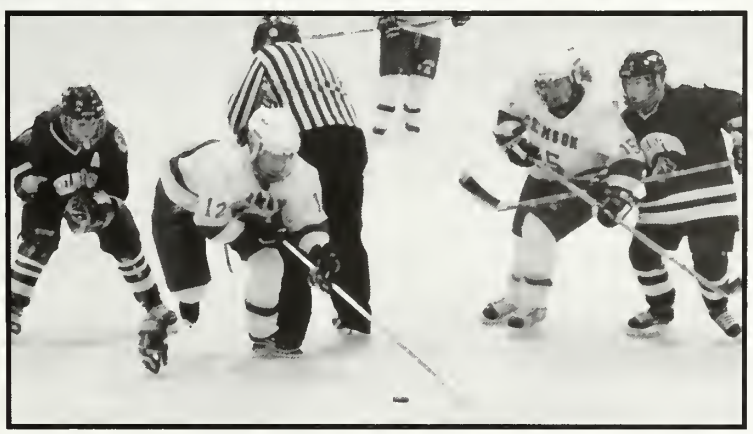
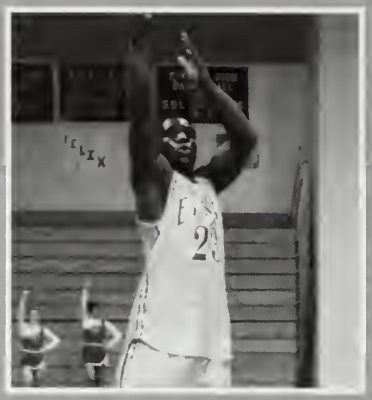
The Everett High School Girl's Ice Hockey team had an impressive 2004-2005 season. The CrimsonTide's offense was led by senior captains Maria Guanci and Jillian Donnelly. Both Guanci and Donnelly had a breakout year. Maria accumulated 37 points and Jillian had 24 points. The Tide's offensive success can also be credited to the hard work of Danielle Silva. The defense proved solid this year as well. It was led by senior captain Alex Charest, Marianne Correale, Katelyne Falco, Megan Giangregorio, and Briana Pierce. Both Megan Giangregorio and Katelyn Falco unselfishly gave up their roles on offense to play defense where they were needed. Marianne Correale and Briana Pierce displayed dedication and had a great season. The seniors provided the team with the necessary leadership which helped make the season successful. The freshmen, sophomores and juniors played hard to ensure a victorious season for the seniors. The team experienced many career highlights this season. Five players were elected to the All-Star team. These players include Alex Charest, Jillian Donnelly,Maria Guanci, Amanda Howard and Stephanie Sachetta. Alex Charest and Maria Guanci were also named to the All-Conference team.



Another highlight of the season was defeating Boston Latin, a division one team who hadn't lost on their home ice for 44 games. The Tide also played the defemding Division two champions to a 0-0 tie. The team had an 8-8-3 record before playing Marblehead High School. During this game, the team showed heart and beat Marblehead giving the Tide a tournament berth. The team's final record was 9-9-3.

The seniors on the team were all pioneers for the girl's ice hockey team. The girls came together, played together, and as a team finished together. The future of Everett High School girl's ice hockey team looks promising. The seniors would like to thank Alex Naumann, Eddie Giantonio, and Kim Greene for their dedication and three outstanding years of ice hockey.

BASKETBALL



The Everett High Boys' Basketball team had an up and down season but came on strong at the end. The Tide won their last three games to reach the postseason. In the first round, they upset Lexington in double overtime but faced a touch Central Catholic team in the second, resulting in a loss. The Tide were led by captains Jason O'Keefe, Theluxon Pierre, and James Felix. They were helped by the other seniors: Roland Claudomir, Jarrod Marchesi and Jeff St. Dic.

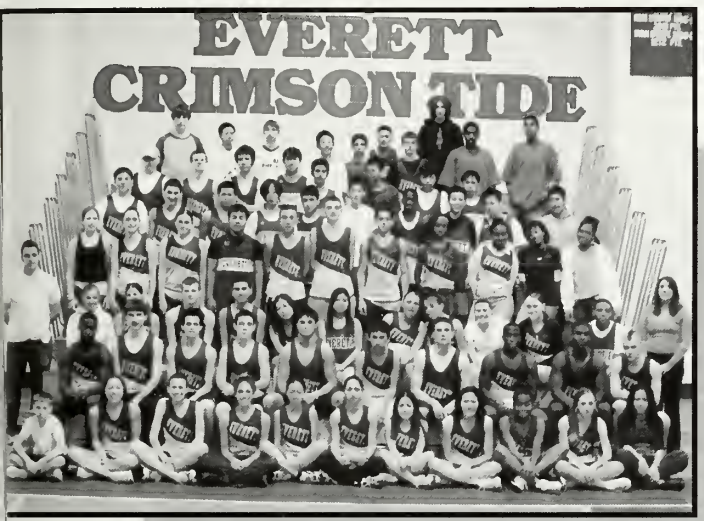
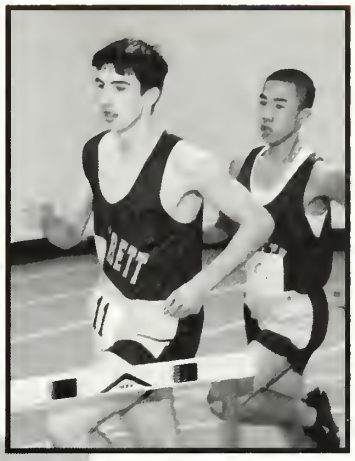
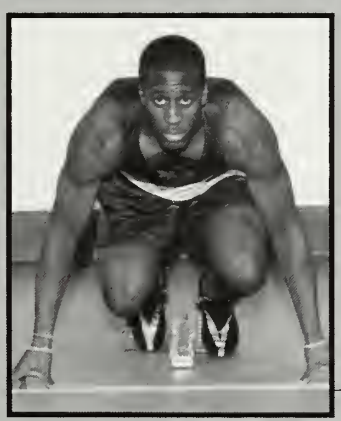
Indoor TRACK

WINTER SEASON







The girls' and boys' indoor track teams had solid teams on both sides thisyear. Their records were 1-8 and 2-1-6 respectively. However, these records did not really reflect the season. There were many close meets and Everett had some amazing individual performances. On the girls' team seniors Nadine Ambroise, Dana Garcia, Jenny Gardynski and Lauren Guanci led the team to a fourth place finish at the league meet and they all qualified for the class A state meet.

The boys were led by seniors David Altenor, Sandley Jonathas, and David Steeves. Each senior contributed to Everett's scores with consistency. David Altenor stood out among the upper class boys by qualifying for the class A state meet. Overall it was a fun season and the seniors will definitely be missed next year!

BASKETBALL

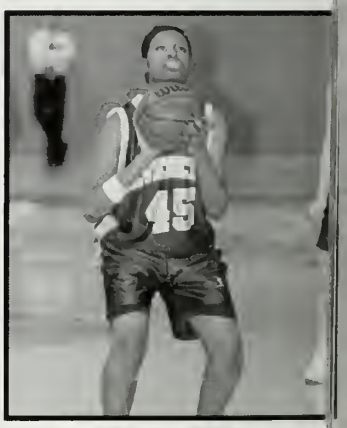
Girls Girls Girls Girls Girls Girls Girls Girls Girls

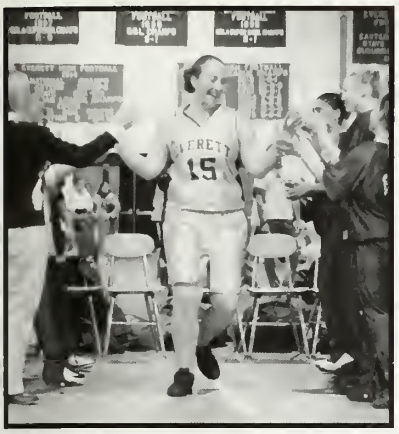
The 2004-2005 squad was led by Senior Captains and GBL All-Stars Leanne Meninger and Lauren Cipriani, who was one of the top scorers in the G.B.L.

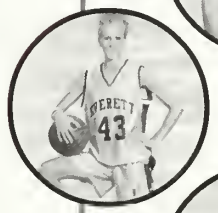
Seniors Jystina Cassata, Jennifer Cogliano, Shea DePietro, Michela D'Onofrio, Charlene Gay, Tania Golden and Shawna Smith provided the team with excellent experience and depth. Also playing key roles were underclassmen Alyse Bookman, Tamara Kearney and Alyssa Regan

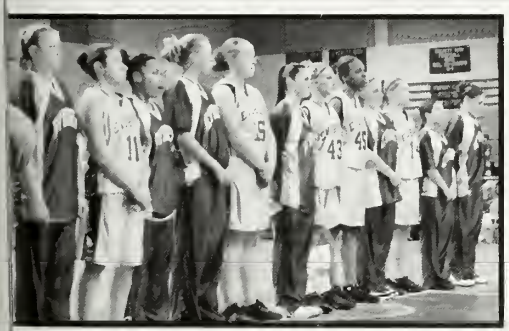
The lady hoopsters enjoyed a very successful season and qualified for the state tournament.

The coaching staff wishes all the seniors the very best of luck in their future endeavors and congratulates all the players for their effort and dedication throughout the year.





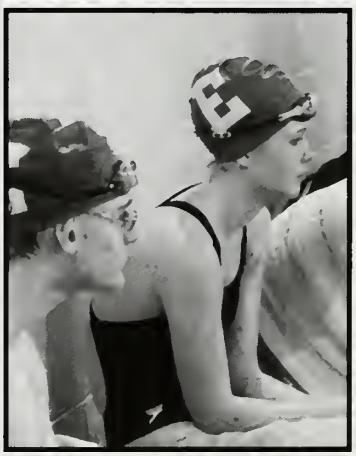




SWIMMING

2004-2005

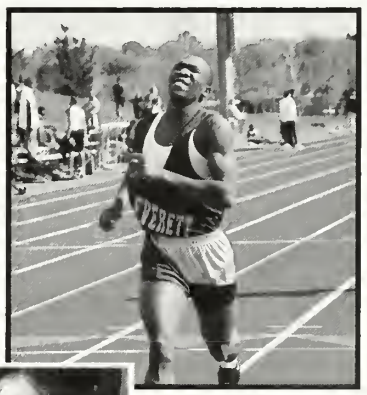
What can I say about the 2004-2005 swim team season? What we lacked in numbers, we definitely gained in team spirit. Our team of 12 swimmers not only pushed us as athletes but also encouraged us to push each other to the limit. Even though most of the time a win was unattainable, we never gave up.



Many of this year's meets were close, and we were able to get one victory over Revere. This year the team was led by seniors Caitlyn Jones, who swam 4 different events including the 100 freestyle where she had a best time of 1:04, only two seconds short from making sections and Stephen Alteri who also excelled in the 50 free and 100 breast stroke and is striving to make sectionals as well. They will both be missed by coaches Jen Nigro and Joy Kenoe who have been both coaching and watching them become stronger athletes over the past couple years. Overall, this season has been great. There was a lot of encouragement and laughs during both practices and the meets. Although we didn't have many defeats, many members of the team made themselves stronger and more versatile athletes and had fun doing it, which is what being on a team is all about. Best of luck to whatever the future holds for both the team and the graduating seniors.

TRACK & FIELD

The Everett High School Outdoor Track team, coached by Eric Naumann and Paul Giardina, improved in all aspects, has become a more competitive team in the GBL. Seniors on the team include Jenny Gardynski, Lauren Guanci, Jennifer Carroll, David Altenor, Davidson Cimea, Pat McGrath, Theluxon Pierre, Evans Beauchamps,and Nadine Ambrosio. Team MVP, Gardynski, made her first appearance as a GBL all-star and placed second in the two mile. Lauren Guanci, one of the best sprinters in the league competed in



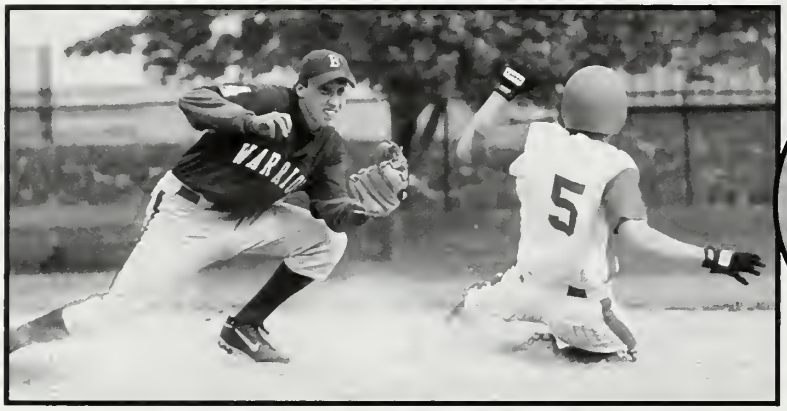
the 100 meter, the 4x100 meter relay and the long jump. Jenn Carroll threw the javelin while David Altenor,an integral part of the very successful 4x100 meter relay team, also competed in the 100- meter race as well as throwing the javelin. Davidson Cimea ran the 400 and 800 meter races as well as the 4x400 relay, which broke the school record. Patrick McGrath ran well in the hurdles and in the 1000-meter race, scoring several points for the team. Theluxon Pierre excelled in the 300-meter race as did Evan Beauchamps in the 100-meter. Nadine Ambrosio competed in the dash and long jump.

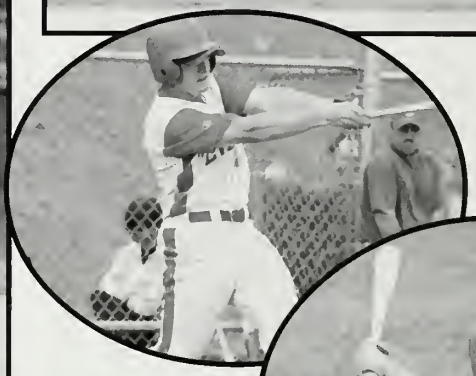
Softball

"The success we have had these past four seasons is the result of hardwork and dedication by the players, the coaches and the parents."- Coach Poste

The Everett High School 2004 Varsity Softball team made an impressive mark in the city's history last June in clinching a fourth consecutive Greater Boston League Championship and proceeding in postseason with one of the most successful results ever in Crimson softball.

After starting slowly with a 1-3 record, under the strategic coaching staff of Stacy Poste and Maureen Stevents, the Tide came together for an indestructible season, entering the state tournament with a record of 16-4 after a 15 - game winning streak. The team stepped it up a notch in the post season, defeating first-round rival Chelmsford in a 4-1 win, then claiming a 6-0 triumph to the seconnd-run foe Acton-Boxboro. This was followed with a dramatic 2-1 victory over Cambridge in the 10th to secure a rematch with Bishop Fenwick in the Divison 1 North finals. Falling short fo Fenwick, the Crimson Tide's run in the Division 1 North final came to a halt. Finishing with a 19-5 overall record , the Crimson Tide set new standards for the Everett High School softball program. In the 2005 Softball season, however, are the returning seniors Maria Guanci, Leanne Meninger, and Emily Caruso to hopefully lead the new team to another successful Crimson Tide season.



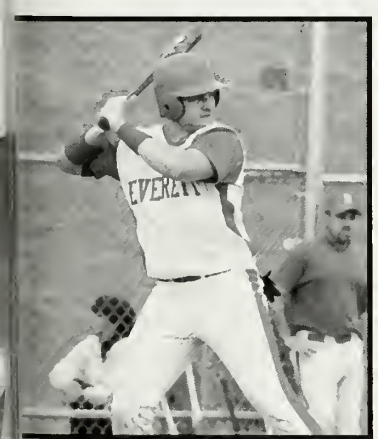


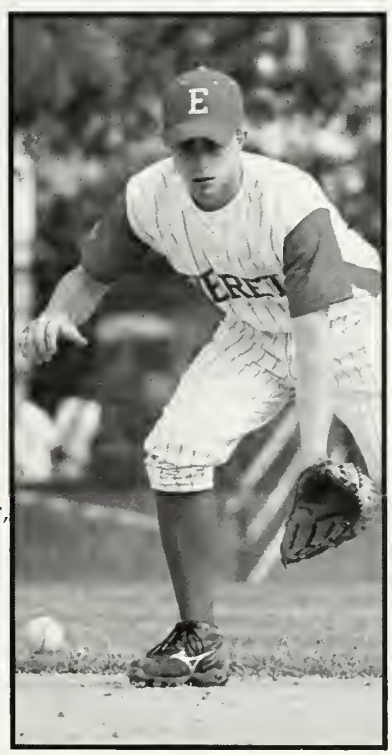
BASEBALL

COACH FALVEY STYLE

The crack of the bat, the smell of the grass, the dirt flying. This is what made the Crimson Tide Baseball team enter the 2005 season with great expectations and excitement. Coming off their first tourney berth in three years, the Tide looks to rise to the top of the GBL and go deep into the playoffs making this a memorable season for new coach Dana D'Agostino and returning seniors Matt Nuzzo, Jarrod Marchesi, Corey Sheehan, Jared Taylor, and Jimmy Oakman.

The team has plenty of talent and experience to work with. Matt Nuzzo is a 4 year starter at shortstop as well as a power with the bat. Jarred Marchesi returns as a 4 year starting pitcher and second baseman, while Corey Sheehan also returns as a 4 year starter giving the pitching staff quite a 1-2 punch





)unding out this impressive
oup of seniors are Jared Taylor,
raight A student and sure-
nded second baseman, as well
solid third baseman and right
nded pitcher Jimmy Oakman.

Boys' Tennis

Girls' Tennis

This year the Girls' Tennis Team represented more than just an ordinary team with a regular record. Hard work, performance and effort combined with great friendships could easily describe the intangible aspects of this team. Although the record does not show it the team worked hard to perform at its best with smiles on our faces. The team would especially like to thank Coach Kretas and Coach Leggett for their constant support. This year's team is led by co-captains Mary Walsh and Betsy Huse. Jackie Terra will play singles and Julie Tran, Fiona Tu, Jessica Couldre and Alesandra Pandolpho will play doubles. Good Luck Class Of 2005

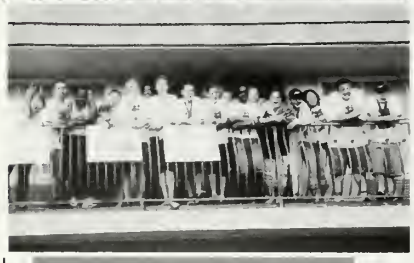
PERCUSSION



The Crimson Tide Percussion Ensemble is a performance group of the music department that has grown in development and reputation over the past six years.The members of this group are extremely dedicated. When one joins Percussion , Saturdays and vacations are spent at the high school learning to perfect this "sport of arts". By the time graduation rolls around, the class of 2005 will have been to five national championships, and have won at least five local championships. In New England the ensemble is held to a high standard of excellence and its members live to perform. the class of 2005 will go out this year "like a herd of turtles" but the ensemble will continue to give up vacations and practice for hours with their friends by their sides just for that one chance to perform.

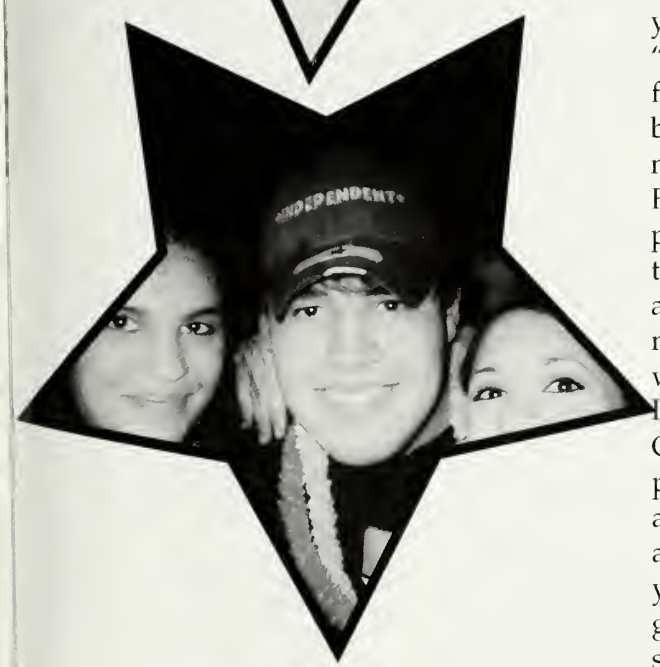
BAND

The Championship Everett High School Crimson Tide Marching Band enjoyed a riveting 2004-2005 season. The band engaged in endless hours or tedious practice, determined to catch up to Malden Golden Tornado Marching Band, with which Everett has always enjoyed a friendly rivalry. At last, at the New England Scholastic Band Asspciation Finals, the Crimson Tide victoriously tied with the Malden Band earning a reputable score of 93.1. Also, the band continued its avid support of the Crimson Tide Football Team, perfoming at nearly all of the games.Additionally, aside from the competitive aspect of the season and the football games, the marching band participated in a number of performances throughout the community. Numerous music students performed at the Everett Armory during the Veteran's Day service. Finally, as the marching band season drew to a close , the concert band entertained members of the community at the annual Christmas concert in good old Rockwood auditorium.

Drama



We walked into the auditorium as freshmen wondering if this club would be fun. Then suddenly the first production of "The Diary of Anne Frank" was here. The lights turned on and the excitement began. Who would've guessed we would put on seven more great productions. In addition, our freshman year we also put on "Pippin". In our sophomore year we did "Our Town" & "Grease". The highlights of our junior year were "My Sister Eileen" & "Anything Goes", as well as "Girl Town" for the drama competition. And finall, our senior year we have done "The Crucible" and "Annie Get Your Gun". Throughout these fun four years we have made some of our best friends and some of the greatest memories that we will forever cherish. From hours of rehearsals to building sets to pulse to "blister in the sun", to the Kowloon to cast parties and sitting aimlessly in the auditorium; these are the things that have made this club worthwhile. The drama club would like to extend a special thanks to Mr. Phillips, Mr. Merenda, Mrs. Schram, Mr. Gagnon, Ms. Kastanas and others who have put their time and effort into making drama a great experience for us all. Good luck to all that leave at the end of this year, I hope you all succeed in all that you do, great job guys. "Let us go on like we blister in the sun."
